CATEGORY 01

Railway Sleeper Inspection & Precision Gauges

Precision gauges for dimensional inspection, master references, and digital measurement of railway sleepers.

Dimensional Inspection Series

- Toe Gap Gauges
- Digital Master Gauges
- Toe Pin Gauge and Master Gauge
- Toe Pin Gap Gauge
- Stencils as per Requirement
- Sleeper Checking Gauges
- RT3705 Inspection Gauge
- RT381 Insert Checking Gauge
- Bench Bolt and Nut
- Assorted Gauges

CATEGORY 02

Pre-Casting & Production Equipment (PSC & Precast)

Moulds, stressing systems, and plant equipment for PSC sleeper and precast concrete production.

Mould & Formwork Systems

- PSC Sleeper Moulds (BG/MG)
- Modular Precast Moulds
- High-Frequency Vibrators

Stressing & Tensioning Systems

- Hydraulic Jacking Units (500–1000 KN)

CATEGORY 03

Civil Material Testing Laboratory Equipment

Comprehensive lab equipment for cement, concrete, soil, geotechnical, bitumen, and road testing.

Cement & Concrete Testing

- Compression Testing Machine (2000 KN), Cube Moulds
- Flexural Testing Machine, Beam Moulds
- Vicat Apparatus, Blaine Apparatus
- Slump Cone & Vee-Bee Apparatus
- Rebound Hammer
- UPV Tester
- RCPT Apparatus
- Cement Autoclave
- Mortar Mixer
- Flow Table

Soil & Geotechnical Testing

- CBR Testing Machine
- Direct Shear & Triaxial Apparatus
- Sieves, Sieve Shakers & Core Cutters
- Compaction Test Equipment

Bitumen & Road Testing

- Flash Points, Tar Viscometer, Penetrometer
- Bitumen Penetrometer
- Softening Point Apparatus
- Ductility Testing Machine
- Marshall Stability Equipment
- Viscometer Tubes
- Kinematic Viscometer Bath
- Asphalt Furnace

CATEGORY 04

Chemical, Paint & Wood Testing

Coating thickness, gloss, adhesion, pH, turbidity, and moisture testing instruments.

- DFT Coating Thickness Gauges
- Gloss Meters
- Adhesion Testers
- Digital pH & TDS Meters
- Turbidity Meters
- Wood Moisture Meters
- Flow Cups
- Conical Mandrel Bend Tester
- Salt Spray Chamber

CATEGORY 05

Industrial Safety & PPE

Personal protective equipment including helmets, gloves, harnesses, and respirators.

- Safety Helmets
- High Visibility Reflective Jackets
- Safety Gloves (Heat / Nitrile / Cut Resistant)
- Safety Shoes
- Full Body Harnesses
- Respirators & N95 Masks

CATEGORY 06

Surveying & Field Monitoring

Total stations, auto levels, laser distance meters, and field measurement accessories.

- Total Stations
- Auto Levels & Theodolites
- Laser Distance Meters
- Measuring Tapes & Ranging Rods
- Leveling Staff
- Geological Compass
- Weather Station

CATEGORY 07

General Lab Utility Equipment

General purpose laboratory utility equipment and tools.

- Noise Level Meters
- Lux Meters
- Digital Anemometers
- Flammable Storage Cabinets
- Fluorescent Lighting Unit (FLU)
- Ultrasonic Cleaners
- Sample Collection Bags
- Digital Vernier Caliper
- Digital Micrometer
- Laser Digital Meter
- General and Heavy Duty Drill Machine

CATEGORY 08

Laboratory Testing Instruments & Accessories

Laboratory testing instruments and accessories.

- Lime Testing Machine
- Reflectance Meter for Brightness and Whiteness
- Test Sieves
- Weighing Balances
- Laboratory Spares
- Lab Chemicals
- Glassware / Plastic Labware

Request a Quotation

All pricing is provided through quotations. Share the product name, quantity, and delivery location and our team will respond within 24–48 business hours.

Phone / WhatsApp: +91 81309 73844
